The location of said wires shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said wires shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation and the Commissioner of Buildings. The grantee shall keep that portion of the public way under said wires in good condition and repair, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Two Hundred Sixteen and no/100 dollars ($216.00) per annum, in advance, the first payment to be due as of April 9, 1979, and each succeeding payment on the same day and month annually thereafter. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor and the City Comptroller in their discretion, at any time without the consent of said grantee. Interest shall be computed on the basis of a year of 360 days from the date of the Bond until maturity on the principal amount from time to time remaining unpaid.

The Bond shall bear interest on any overdue amount of principal or interest at the rate of ten percent (10%) per annum until paid to the maximum extent permitted by law.

Upon written notice as set forth in the next succeeding paragraph given by the Company on behalf of the Issuer or by the Bank, the principal installments of the Bond are subject to optional redemption in the following events: (i) the Note or a portion thereof is prepaid at the option of the Company (as defined in the Agreement) as a result of damage and destruction or condemnation as provided in the Agreement; (ii) the Note is prepaid at the option of the Company or the Bank as provided in the Agreement, or (iii) the Note is prepaid at the option of the Company as a result of a Determination of Taxability (as defined in the Agreement) as provided in the Agreement. In the event the Note or any portion thereof is prepaid at the option of the Company as a result of damage and destruction or condemnation as provided in the Agreement, the principal installments of the Bond are subject to prior redemption on any interest payment date, in whole or in part by installment in the inverse order of maturity of the principal installments of the Bond, at a price of par plus accrued interest to the date fixed for redemption and without premium. In the event the Note is prepaid at the option of the Company or the Bank as provided in the Agreement, the principal installments of the Bond maturing December 1, 1984 and thereafter are subject to prior redemption on June 1, 1984, or the principal installments of the Bond maturing on December 1, 1989 and thereafter are subject to prior redemption on June 1, 1989, in whole, at a redemption price of par plus accrued interest to the date fixed for redemption, and without premium. The principal installments of the Bond are further subject to optional redemption, in whole, 180 days after a Determination of Taxability (as defined in the Agreement) has occurred, at a price of par plus accrued interest to the date of redemption and without premium, if the Company exercises its option to prepay the Note in accordance with Section 7.1(c) of the Agreement upon a Determination of Taxability by which it is determined that interest on the Bond is taxable.

Upon receipt by the Issuer and the Bank or the Company of at least 180 days' prior written notice specifying a date for the redemption of the principal installments of the Bond, the Bank shall, to the extent that amounts are or become available therefor in the Bond Fund, redeem the principal installments of the Bond in accordance with the preceding paragraph. All principal installments of the Bond designated for prior redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at American National Bank and Trust Company of Chicago on such date.

The Bond may be prepared in typewritten, printed or engraved form.

The principal installments of and interest on the Bond shall be payable to American National Bank and Trust Company of Chicago or its assigns in lawful money of the United States of America at the principal office of American National Bank and Trust Company of Chicago in the City of Chicago, Illinois. The Bank shall note on the Payment Record attached as Schedule A to the Bond and the date and amount of payment or redemption of each installment of principal and interest then being paid or redeemed and of principal and interest theretofore paid and not yet noted thereon and, upon request of the Company or the Issuer, the Bond shall be made available by the holder for inspection by the Company or the Issuer at the principal office of the Bank in Chicago, Illinois. Upon payment at maturity, or upon redemption, the Bank shall notify the Issuer of such payment or redemption, and shall include in such notification a statement of the unpaid balance of the Bond.

The Bond shall be signed by the Mayor by her facsmile signature, attested by the manual signature of the City Clerk of the Issuer, and countersigned by the City Comptroller by his facsimile signature, and the corporate seal of the Issuer shall be affixed thereto.

The Bond, together with interest thereon, shall be a limited obligation of the Issuer secured by the Agreement and the Note and a mortgage on and security interest in the Project in favor of the Bank, and payable solely from the revenues and receipts derived from the Agreement and the Note authorized to be issued thereunder (except to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof), and shall be a valid claim of the owner thereof only against the Bond Fund and other moneys held by the Bank and the revenues and receipts derived from the Agreement and the Note, which revenues and receipts shall be used for no other purpose than to pay the principal installments of and interest on the Bond, except as may be expressly authorized otherwise in this Ordinance and in the Agreement. The Bond and the obligation to pay interest thereon does not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provisions of the State of Illinois, but shall be secured as aforesaid, and is payable solely from the revenues and receipts from the Agreement and the Note.

In the event the Bond is mutilated, lost, stolen or destroyed, the Issuer may execute a new Bond of like date, tenor and maturity as that Bond mutilated, lost, stolen or destroyed; provided that, in the case the Bond is mutilated, such mutilated Bond shall first be surrendered to the Issuer, and in the case the Bond is lost, stolen or destroyed, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate on the Payment Record of the new Bond replacing the mutilated, lost, stolen or destroyed Bond all payments or interest which the Issuer's records indicate as having appeared on the mutilated, lost, stolen, or destroyed Bond. In the event all the principal installments of the Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof. The Issuer may charge the holder or owner of the Bond with reasonable fees and expenses in this connection.

The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Issuer and the Bank of a certificate of the Authorized Company Representative required by Section 3.4 of the Agreement. Any moneys thereafter remaining in the Acquisition Fund shall be applied in accordance with Section 3.4 of the Agreement.

The Agreement and the revenues and receipts thereof, including all moneys received under its terms and conditions and the Note therein authorized, are to be sufficient to pay the principal installments of and interest on the Bond hereby authorized, and are hereby pledged and ordered paid into the Bond Fund as specified in Section 7 hereof. The Agreement provides that the Company shall remit the required payments in repayment of the loan under the terms and conditions of the Agreement directly to the Bank for the account of the Issuer for deposit in the Bond Fund and such provision is hereby expressly approved.

Revenues; Bond Fund

SECTION 7. The Bond and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations secured by a mortgage and payable by the Issuer solely out of the revenues and receipts derived from the Agreement and the Note as provided herein.

There is hereby created by the Issuer and ordered established with the Bank, as depositary, a special fund to be designated "City of Chicago, Illinois, Bond Fund (Pioneer Gen-E-Motor Corporation Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal installments of and interest on the Bond or to redeem the principal installments of the Bond.

There shall be deposited into the Bond Fund, as and when received, (a) a sum equal to the accrued interest paid by the purchaser of the Bond, (b) any amount remaining in the Acquisition Fund to the extent provided in Section 3.4 of the Agreement; (c) all prepayments on the Note specified in Article VII of the Agreement; (d) all payments made on the Note; and (e) all other moneys re-

The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall fully cooperate with the Bank and any other owner of the Bond to the end of fully protecting the rights and security of the Bank and any other such owner. Nothing herein shall be construed as requiring the Issuer to operate the Project or to use any funds or revenues from any source other than funds and revenues derived from the Agreement.

Any amounts remaining in the Bond Fund, after payment in full of the principal installments of and interest on the Bond (or provision for payment thereof as provided in this Ordinance) and the charges and expenses of the Bank, shall be paid to the Company, as provided herein and in Section 9.5 of the Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Authorized Company Representative may direct the Bank to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

The principal installments of the Bond are subject to prepayment in whole or in part, and if in part in the inverse order of principal installments thereof, upon written notice given by the Company on behalf of the Issuer as set forth in the next succeeding paragraph of this Section at any time and from time to time after June 1, 1982, at a prepayment price of par plus accrued interest to the prepayment date, without premium.

Upon receipt by the Fiscal Agent of at least fifteen business days' prior written notice specifying a date for the prepayment of the principal of the Bond (or any portion thereof), the Fiscal Agent shall, to the extent that amounts are or become available therefor in the Bond Fund, prepay principal, together with accrued interest on the portion prepaid, on the Bond in accordance with the preceding paragraph; provided, however, that no partial prepayment of less than $50,000 shall be permitted. In addition, if other funds in an amount in excess of $50,000 shall become available in the Bond Fund, and are not otherwise required to be applied to the payment of the Bond, the Fiscal Agent shall, without notice from the Company or the Issuer, promptly, but in any event within fifteen business days from the receipt of such funds, apply such funds to the prepayment of the Bond at the prepayment price set forth above, and shall give notice to the Company of such prepayment. All principal installments of the Bond or portion thereof designated for prepayment will cease to bear interest on the specified prepayment date, provided funds for their prepayment are on deposit at the place of payment at that time.

Fiscal Agent shall note on the Payment Record attached to the Bond the date and amount of payment of each principal installment or prepayment of principal then being paid, provided, that, as long as the Bank shall be the sole holder of the Bond, it may make the notations of principal on the Payment Record and agrees to do so, in consideration of which the Fiscal Agent waives any requirement that the Bond be presented to it for payment or notation thereon except at final maturity or in the event of a transfer. The Fiscal Agent shall also notify the Issuer at least annually and upon payment in full of the principal of the Bond of each payment (whether at maturity or upon prepayment or acceleration) of principal of the Bond, such notification to include a statement as to the principal balance thereof then remaining outstanding.

The Bond shall be signed by the Mayor and attested by the City Clerk of the Issuer and countersigned by the City Comptroller and the corporate seal of the Issuer shall be affixed thereto.

The Bond and the obligation to pay interest thereon shall be limited obligations of the Issuer payable solely from revenues and receipts derived by the Issuer pursuant to the Agreement (except to the extent they may be paid out of moneys attributable to Bond proceeds or any income from the temporary investment thereof) and shall be valid claims of the holders thereof only against the Bond Fund and other moneys held by the Fiscal Agent pursuant to this Ordinance and the revenues and receipts derived from the Agreement, which revenues and receipts shall be used for no other purpose than to pay the principal of and interest on the Bond, except as may be otherwise expressly authorized in this Ordinance. The Bond and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision of either thereof, or a charge against the general taxing powers of either thereof, within the meaning of any constitutional or statutory provision of the State of Illinois, but shall be payable solely from the revenues and receipts derived by the Issuer pursuant to the Agreement.

Project)" (herein sometimes referred to as the "Construction Fund"). The principal proceeds received by the Issuer from the sale of the Bond shall be deposited in the Construction Fund which shall be held in a separate account by the Fiscal Agent. Moneys in the Construction Fund shall be expended in accordance with the provisions of the Agreement, and particularly Section 3.3 thereof.

The Fiscal Agent, as depositary, shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and after the Project has been completed and a certificate of payment of all costs filed as provided in this Section, the Fiscal Agent shall deliver copies of such records to the Issuer and the Company.

SECTION 6. *Acquisition of Project and Payment of Amounts under the Agreement.* It is the declared intention of the Issuer to authorize the loan of the proceeds of the sale of the Bond in order to finance the acquisition, construction and installation of the Project pursuant to the Agreement in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer. The Mayor is hereby authorized to execute and acknowledge said Agreement for and on behalf of the Issuer, and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer.

Said Agreement and the revenues and receipts derived by the Issuer pursuant thereto, including all moneys received under the terms and conditions thereof, are to be sufficient to pay the principal of and interest on the Bond hereby authorized and are hereby pledged and ordered paid into the Bond Fund. The Agreement provides that the Company shall remit required payments thereunder directly to the Fiscal Agent for the account of the Issuer for deposit in said Bond Fund and such provision is hereby expressly approved.

SECTION 7. *Revenues: Bond Fund.* The Bond and the obligation to pay interest thereon and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations payable by the Issuer solely from revenues and receipts derived from the Agreement as provided herein.

There is hereby created by the Issuer and ordered established with the Fiscal Agent, as depositary, a special account to be designated "Industrial Revenue Bond Fund (The Willett Company (Ill.) Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal of and the interest on the Bond.

There shall be deposited into the Bond Fund, as and when received (a) any amount remaining in the Construction Fund to the extent provided in Section 3.4 of the Agreement; (b) all payments and prepayments specified in Articles IV and VII of the Agreement; and (c) all other moneys received by the Fiscal Agent under and pursuant to any of the provisions of the Agreement. The Fiscal Agent is authorized and directed to apply amounts in the Bond Fund available therefor to the payment when due of the principal of and interest on the Bond.

The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall cooperate fully with the Fiscal Agent to the end of fully protecting the rights and security of the holder(s) of the Bond. Nothing herein shall be construed as requiring the Issuer to operate the Project or to use for payment of principal and interest any funds or revenues from any source other than funds and revenues derived by the Issuer pursuant to the Agreement.

Any amounts remaining in the Bond Fund after payment in full of the principal of and interest on the Bond (or provision for payment thereof as provided in this Ordinance) and the charges and expenses of the Fiscal Agent, shall be paid to the Company upon the expiration or sooner termination of the term of the Agreement as provided herein and in Section 9.5 of the Agreement.

SECTION 8. *Assignment.* As security for the due and punctual payment of the principal of and interest on the Bond hereby authorized the Issuer hereby pledges and assigns to the Bank all revenues and receipts derived by the Issuer pursuant to the Agreement (except any payment made pursuant to Section 5.3 and 6.3 of the Agreement relating to indemnification and expenses of the Issuer) and all rights and remedies of the Issuer under the Agreement to enforce payment thereof, and as evidence of such pledge and assignment the Mayor is hereby authorized to execute for and on behalf of the Issuer the Assignment and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer, and the Mayor and City Clerk are authorized and directed to cause the Assignment to be executed by the Bank, with the Assignment to be in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

SECTION 9. *Investment; Arbitrage.* Any moneys held as part of the Construction Fund created pursuant to Section 5 hereof or the Bond Fund created pursuant to Section 7 hereof may be invested or reinvested at the direction of an Authorized Company Representative in accordance with the provisions of Section 3.5 of the Agreement. Any such investment shall be held by or under control of the Fiscal Agent and shall be deemed at all times a part of such fund and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund, which loss shall be an obligation of the Company as provided in the Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Company may direct the Fiscal Agent to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

With respect to Section 103(c) of the Code, the Company has made certain certifications and representations to the Issuer pursuant to Section 3.6 of the Agreement, which certifications and representations by this reference are incorporated herein and made a part hereof and the governing body of the Issuer, acting in reliance on such certifications and representations, adopts and ratifies such certifications and representations and hereby covenants with the Bank and any holder(s) of the Bond that so long as any principal of the Bond remains unpaid, the governing body of the Issuer will not take or authorize the taking of any action which will cause the Bond to be classified as an "arbitrage bond" within the meaning of Section 103(c) of the Code and any lawful regulations promulgated or proposed thereunder, including Section 1.103-13 and Section 1.103-14 of the Income Tax Regulations (26 CFR Part 1) as the same presently exist, or may from time to time hereafter be amended, supplemented or revised.

SECTION 10. *General Covenants.* The Issuer covenants that it will promptly cause to be paid solely from the source mentioned in the Bond the principal of and interest thereon hereby authorized at the place, on the dates and in the manner provided herein and in the Bond according to the true intent and meaning hereof and thereof. The Bond and the obligation to pay interest thereon are limited obligations of the Issuer and are payable solely from revenues and receipts derived by the Issuer pursuant to the Agreement and otherwise as provided herein and in the Agreement. The Bond and the obligation to pay interest thereon are not and shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any

political subdivision of either thereof, or a charge against the general taxing powers of either thereof, within the meaning of any constitutional or statutory provision of the State of Illinois.

The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Ordinance, in the Bond and in all proceedings of its governing body pertaining thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bond authorized hereby, and to pledge and assign the revenues and receipts hereby pledged and assigned in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bond has been duly and effectively taken and that the Bond is and will be a valid and enforceable limited obligation of the Issuer according to the true intent and meaning thereof.

The Issuer covenants that it will execute, acknowledge and deliver such instruments, financing statements and other documents as the Bank or the holder(s) of the Bond may reasonably require for the better assuring, pledging and assigning unto the Bank the rights of the Issuer in and to the revenues and receipts hereby pledged and assigned to the payment of the principal of and interest on the Bond. The Issuer covenants and agrees that, except as provided herein and in the Agreement, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the revenues and receipts derived pursuant to the Agreement, or of its rights under the Agreement.

The Issuer covenants and agrees that all books and documents in its possession relating to the Project and the revenues and receipts derived therefrom pursuant to the Agreement shall at all reasonable times be open to inspection by the Bank and the holder(s) of the Bond or such accountants or other agencies as the Bank or such holder(s) may from time to time designate.

The Issuer covenants and agrees that it shall through the Bank enforce all of its rights and all of the obligations of the Company under the Agreement for the benefit of the holder(s) of the Bond. The Issuer shall protect the rights of the Bank and the holder(s) of the Bond hereunder with respect to the assignment and pledge of the revenues and receipts as the same shall become due and payable pursuant to the Agreement.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bank or the holder(s) of the Bond is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bank or the holder(s) of the Bond or now or hereafter existing at law, in equity or by statute.

No delay or omission to exercise any right, power or remedy accruing upon any event of default shall impair any such right, power or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right, power or remedy may be exercised from time to time as often as may be deemed expedient.

All moneys received pursuant to any right given or action taken under the provisions of this Section or under the provisions of Article VI of the Agreement (after payment of the reasonable costs and expenses of the proceedings resulting in the collection of such moneys and of the reasonable expenses, liabilities and advances incurred or made by the Issuer, the Fiscal Agent or the holder(s) of the Bond) and all moneys in the Construction Fund at the time of the occurrence of an event of default shall be deposited in the Bond Fund and all such moneys in the Bond Fund shall be applied to the payment of the principal of and interest then due and unpaid on the Bond to the person entitled thereto.

The Fiscal Agent shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

Whenever all principal of and interest on the Bond have been paid under the provisions of this Section and all expenses of the Issuer and the Fiscal Agent have been paid, any balance remaining in the Bond Fund shall be paid to the Company.

COMMITTEE ON POLICE, FIRE, PERSONNEL AND MUNICIPAL INSTITUTIONS.

Action Deferred—ON PROPOSED ORDINANCE FOR AMENDMENT OF CHAPTER 192 OF MUNICIPAL CODE CONCERNING STREET SOLICITATION FOR PROSTITUTION AND RELATED MATTERS.

The Committee on Police, Fire, Personnel and Municipal Institutions submitted the following report, which was on motion of Alderman Burke and Alderman Stone, *Deferred* and ordered published:

CHICAGO, June 1, 1979.

To the President and Members of the City Council:

Your Committee on Police, Fire, Personnel and Municipal Institutions, to which was referred (October 20, 1978) an Ordinance submitted by Alderman Marion Volini and Alderman Ralph Axelrod, et al., amending Chapter 192-5 of the Municipal Code of the City of Chicago concerning street solicitation for prostitution and related matters, begs leave to recommend that your Honorable Body *Pass* the said proposed Ordinance, which is transmitted herewith.

This recommendation was concurred in by 12 members of the Committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,

Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Whereas, Uptown-Edgewater is one of the City's most attractive residential communities; and

Whereas, The people of Uptown-Edgewater like all City neighborhoods take great pride in their community and have worked hard to maintain the beauty and splendor for which the neighborhood has been known for many years; and

Whereas, Some parts of the Uptown-Edgewater community and other areas of the City have been plagued with persons on the public ways who seek to engage in or promote acts of prostitution and other sexual activities for hire; and

Whereas, Soliciting on the public ways for the purpose of prostitution and/or deviate sexual conduct, or promoting the same is disruptive of the public peace in that persons engaged in such conduct in public places harass and interfere with the use and enjoyment by other persons of such public places thereby constituting a danger to the public health and safety; and

Whereas, In recent years the incidences of such conduct in public places in Uptown-Edgewater and other areas of the City has increased significantly in that persons aggressively engaging in promoting or soliciting for the purpose of such activity have, by their course of actions in public places, caused citizens who venture into such public places to be the unwilling victims of repeated harassment, interference and assault upon their individual privacy, as a result of which such public places have become unsafe and the ordinary community and commercial life of Uptown-Edgewater and other City areas has been disrupted and has deteriorated; now, therefore,

Be It Ordained By the City Council of the City of Chicago:

Section 1. Section 192-5 of the Municipal Code of the City of Chicago is hereby amended by adding the following, in Italics, as Section 192-5.2 of said Municipal Code:

Section 192-5.2

a) For the purposes of this Section, "public place" means any street, sidewalk, bridge, alley or alleyway, plaza, park, driveway, parking lot, or transportation facility or the doorways and entrance ways to any building which fronts on any of the aforesaid places, or a motor vehicle in or on any such place, or any other public way;

b) Any person who remains or wanders about in a public place and repeatedly beckons to, or repeatedly attempts to stop, or repeatedly attempts to engage passers-by in conversation, or repeatedly interferes with the free passage of other persons, for the purpose of prostitution, deviate sexual conduct, or of soliciting for a prostitute as those terms are defined in Chapter 38 of the Illinois Revised Statutes, shall be guilty of a violation of this ordinance and upon conviction be fined not less than $500.00. If such person has previously been convicted of a violation of this Section, such person shall be prosecuted in accordance with the terms of Chapter 38, Section 1-2-1.1, Illinois Revised Statutes, 1969, for a misdemeanor. On conviction such person shall be guilty of a misdemeanor and shall be incarcerated in a penal institution other than the penitentiary for not less than twenty days and not more than six months.

c) Any person who remains or wanders about in a public place and repeatedly beckons to, or repeatedly stops, or repeatedly attempts to stop, or repeatedly attempts to engage passers-by in conversation, or repeatedly stops or attempts to stop motor vehicles, or repeatedly interferes with the free passage of other persons, for the purpose of pandering as that term is defined in Chapter 38 of the Illinois Revised Statutes, shall be guilty of a misdemeanor and shall be prosecuted in accordance with the terms of Chapter 38, Section 1-2-1.1, Illinois Revised Statutes, 1969, for a misdemeanor. Upon conviction such person shall be incarcerated in a penal institution other than the penitentiary for not less than ninety days and not more than six months.

d) If any provision or part of this ordinance shall be found unconstitutional or outside the corporate powers of the City of Chicago, the remaining provisions shall continue in full force and effect.

Section 2. This ordinance shall be in force and effect from and after its passage.

WHEREAS, The United States is the strongest power in the world commercially, industrially, politically and economically, but militarily we remain competitive with the Soviet Union; and

WHEREAS, For the past seven years, the United States has been negotiating with the Soviets for a Strategic Arms Limitation Treaty to deter the escalation of nuclear weaponry; and

WHEREAS, President Carter is urging ratification of SALT II for the following reasons:

(1) It will enhance prospects for sustained world peace.

(2) It will substantially improve United States security.

(3) It will contribute to continued detente which allows U.S. to compete peacefully with the Soviet Union.

(4) It will contribute to increased control over development of nuclear weapons.

(5) It will help restrain proliferation of nuclear weapons among other nations.

(6) Continued negotiations to further control nuclear weaponry would be difficult if not impossible if after seven years of negotiations, SALT II should be rejected.

(7) The American Joint Chiefs of Staff urge adoption of the treaty.

(8) SALT II gives the U.S. guaranteed means for monitoring what the Soviets do with their nuclear weaponry. President Carter has placed his personal integrity on the assurance that we can verify terms of the treaty; and

WHEREAS, Without SALT II, the Soviets could continue to escalate their nuclear buildup without any restraints as they are now and have been doing for years; and

WHEREAS, If SALT II is rejected and the Soviets continue their buildup to 3,000 nuclear devices, it will cost the United States $30 Billion annually to keep pace; and

WHEREAS, It is hoped that with limitations on strategic arms, the United States will be able to divert its resources in greater proportion to the social needs of our nation; and

WHEREAS, It is important for the President to be able to show the Soviets when he meets with Breznev in Geneva later this month that the American people want peace through the limitation of nuclear weaponry; now, therefore,

Be It Resolved, That the City Council of Chicago wishes President Carter success in his negotiations for a Strategic Arms Limitation Treaty and memorializes the United States Senate to ratify SALT II after full debate.

The suggested Rules Changes proposed by Alderman Burke and Alderman Gabinski would open up the legislative process in the City Council.

Some of the key provisions in these rules changes include:

1) Mandated regular Council meetings twice monthly with at least four meetings to be held in the evening in various neighborhoods of this City. This would allow greater public awareness and greater public participation.

2) Incorporation of provisions of the Open Meetings Act of Illinois and application of the Act to all meetings including caucuses.

3) Pre-filing of ordinances 24 hours in advance of meetings and copies to be made available to members, the press and public.

4) Rights of the public to testify at all committee and subcommittee hearings.

5) Strengthening of the committee structure including granting the authority to committee chairmen to subpoena witnesses, books and records, requirement that testimony to be taken under oath and requirement that all hearings be recorded by a certified court reporter.

6) A numbering system for all ordinances, resolutions, orders and communications.

7) Mandated regular monthly committee meetings.

Alderman Burke and Alderman Gabinski expressed the hope that their suggestions for reform of the Rules of Procedure would meet with the approval of the other members of the Reorganization Committee and the full City Council.

7. Its identification as the work of an architect or master builder whose individual work has influenced the development of the City of Chicago.
8. Its embodiment of elements of architectural design, details, materials, or craftsmanship which represent a significant architectural innovation.
9. Its relationship to other distinctive areas which are eligible for preservation according to a plan based on an historic, cultural, or architectural motif.
10. Its unique location or singular physical characteristic representing an established and familiar visual feature of a neighborhood, community, or the City of Chicago; and

Whereas, The history of the Kenwood community reflects the development of the City of Chicago, State of Illinois, and the United States, for the area that is now Kenwood was first settled as part of the suburb of Hyde Park and annexed in 1889 and its suburban character is evident even today due to the efforts of Kenwood residents who strive to preserve the District's historical character; and

Whereas, The Kenwood District vividly portrays the character of an affluent late nineteenth-century Middle Western suburban community where many of Chicago's most prominent architects designed large single-family residences set on spacious lots and tree-lined streets, making this community representative of the cultural, economic and social growth of Chicago; and

Whereas, The community contains many homes that have been identified over the years with prominent Chicagoans such as Martin Ryerson, Gustavson Swift, Julius Rosenwald, Enos Barton, Louis Sullivan, Edgar Lee Masters, William O. Goodman, Joseph Schaffner, Max Adler, and many other Kenwood residents who significantly contributed to the culture and growth of the City; and

Whereas, Kenwood is especially interesting because it richly embodies architectural types of great variety and a high degree of individuality including homes in the elegantly symmetrical designs of the

Italianate style, Queen Anne designed Villas with their informal turrets, bays and porches, Richardsonian romanesque styles characterized by its rough cut stone, deep-set windows and rounded arches, Renaissance revival and Tudor houses, Georgian and Colonial revival styles, and examples of the Prairie school style of architecture developed by Frank Lloyd Wright and other architects working in the Chicago area; and

Whereas, Kenwood is the site of several uniquely constructed and well preserved structures such as the Blossom House, one of the last buildings Frank Lloyd Wright designed in an historical revival style, architect George Maher's house for J. J. Dau, George C. Nimmons' beautiful Colonial revival home for poet Edgar Lee Masters, and the Frankenthal house designed by Hugh Garden in the Prairie School style; and

Whereas, The Commission on Chicago Historical and Architectural Landmarks has concluded that the Kenwood District is truly important to Chicago and deserves to be preserved, protected, enhanced, rehabilitated, and perpetuated, and that the Commissioner of the Department of Planning, City and Community Development, has concurred with the recommendations that the Kenwood District be designated as a Chicago Landmark; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Chapter 192 of Municipal Code Amended Concerning Street Solicitation for Prostitution and Related Matters.

On motion of Alderman Burke the City Council took up for consideration the report of the Committee on Police, Fire, Personnel and Municipal Institutions deferred and published in the Journal of the Proceedings of June 1, 1979, page 295, recommending that the City Council pass a proposed ordinance to amend Chapter 192-5 of the Municipal Code concerning street solicitation for prostitution and related matters, which reads as follows:

Whereas, Uptown-Edgewater is one of the City's most attractive residential communities; and

Whereas, The people of Uptown-Edgewater like all City neighborhoods take great pride in their community and have worked hard to maintain the beauty and splendor for which the neighborhood has been known for many years; and

Whereas, Some parts of the Uptown-Edgewater community and other areas of the City have been plagued with persons on the public ways who seek to engage in or promote acts of prostitution and other sexual activities for hire; and

Whereas, Soliciting on the public ways for the purpose of prostitution and/or deviate sexual conduct, or promoting the same is disruptive of the public peace in that persons engaged in such conduct in public places harass and interfere with the use and enjoyment by other persons of such public places thereby constituting a danger to the public health and safety; and

Whereas, In recent years the incidences of such conduct in public places in Uptown-Edgewater and other areas of the City has increased significantly in that persons aggressively engaging in promoting or soliciting for the purpose of such activity have, by their course of actions in public places, caused citizens who venture into such public places to be the unwilling victims of repeated harassment, interference and assault upon their individual privacy, as a result of which such public places have become unsafe and the ordinary community and commercial life of Uptown-Edgewater and other City areas has been disrupted and has deteriorated; now, therefore,

Be It Ordained By the City Council of the City of Chicago:

Section 1. Section 192-5 of the Municipal Code of the City of Chicago is hereby amended by adding the following, in Italics, as Section 192-5.2 of said Municipal Code:

Section 192-5.2

a) For the purposes of this Section, "public place" means any street, sidewalk, bridge, alley or alleyway, plaza, park, driveway, parking lot, or transportation facility or the doorways and entrance ways to any building which fronts on any of the aforesaid places, or a motor vehicle in or on any such place, or any other public way;

b) Any person who remains or wanders about in a public place and repeatedly beckons to, or repeatedly attempts to stop, or repeatedly attempts to engage passers-by in conversation, or repeatedly interferes with the free passage of other persons, for the purpose of prostitution, deviate sexual conduct, or of soliciting for a prostitute as those terms are defined in Chapter 38 of the Illinois Revised Statutes, shall be guilty of a violation of this ordinance and upon conviction be fined not less than $500.00. If such person has previously been convicted of a violation of this Section, such person shall be prosecuted in accordance with the terms of Chapter 38, Section 1-2-1.1, Illinois Revised Statutes, 1969, for a misdemeanor. On conviction such person shall be guilty of a misdemeanor and shall be incarcerated in a penal institution other than the penitentiary for not less than twenty days and not more than six months.

c) Any person who remains or wanders about in a public place and repeatedly beckons to, or repeatedly stops, or repeatedly attempts to stop, or repeatedly attempts to engage passers-by in conversation, or repeatedly stops or attempts to stop motor vehicles, or repeatedly interferes with the free passage of other persons, for the purpose of pandering as that term is defined in Chapter 38 of the Illinois Revised Statutes, shall be guilty of a misdemeanor and shall be prosecuted in accordance with the terms of Chapter 38, Section 1-2-1.1, Illinois Revised Statutes, 1969, for a misdemeanor. Upon conviction such person shall be incarcerated in a penal institution other than the penitentiary for not less than ninety days and not more than six months.

d) If any provision or part of this ordinance shall be found unconstitutional or outside the corporate powers of the City of Chicago, the remaining provisions shall continue in full force and effect.

Section 2. This ordinance shall be in force and effect from and after its passage.

Alderman Burke moved to pass the foregoing proposed ordinance.

Alderman Axelrod and Alderman Volini presented the following amendment:

Motion to amend the Proposed Ordinance For Amendment of Chapter 192 of Municipal Code Concerning Street Solicitation For Prostitution And Related Matters, deferred and ordered published June 1, 1979, and appearing on Page 295 of the Official printed Journal of Proceedings of the City Council of the City of Chicago, Illinois of June 1, 1979, by striking, in paragraph b) thereof, certain language appearing in brackets below, and by substituting therefor certain language in Italics below:

192.5. . . .

b) Any person who remains or wanders about in a public place and repeatedly beckons to, or repeatedly attempts to stop, or repeatedly at-

temps to engage passers-by in conversation, or repeatedly interferes with the free passage of persons, for the purposes of prostitution [, deviate sexual conduct] *as defined in Chapter 38, Section 11-14 of the Illinois Revised Statutes,* or of soliciting for a prostitute as those terms are defined in Chapter 38, *Section 11-15* of the Illinois Revised Statutes, shall be guilty of a violation of this ordinance and upon conviction be fined not less than $500.00. If such person has previously been convicted of a violation of this section, such person shall be prosecuted in accordance with the terms of Chapter 38, Section 1-2-1.1, Illinois Revised Statutes, 1969, for a misdemeanor. 6/1/83	260,000
6/1/84	280,000
6/1/85	305,000
6/1/86	325,000
6/1/87	350,000
6/1/88	380,000
6/1/89	410,000
6/1/90	440,000
6/1/91	480,000

The Bond shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) from the date thereof until maturity on the principal amount from time to time remaining unpaid at a rate per annnum equal to seven and three-fourths per cent (7.75%).

Interest on the Bond will be payable on December 1, 1979 and on each succeeding June 1 and December 1 thereafter until the principal amount thereof is paid.

The Bond shall bear interest on any overdue principal to the maximum extent permitted by law at the rate of nine and three-fourths per cent (9.75%) per annum at the maturity of such principal whether by acceleration or otherwise, for the period after such maturity until paid.

Whenever any payment to be made on the Bond shall otherwise be due on a day which is a Saturday, Sunday or a legal holiday or a day on which national banking institutions are authorized by law to close, such payment shall be made on the next succeeding business day not a Saturday, Sunday or legal holiday or day on which national banking institutions are authorized by law to close ("business day").

The principal installments of the Bond are subject to prepayment in whole or in part, and if in part in the inverse order of principal installments thereof, upon written notice given by the Company on behalf of the Issuer as set forth in the next succeeding paragraph of this Section at any time and from time to time after June 1, 1982, at a prepayment price of par plus accrued interest to the prepayment date, without premium.

The Bond is also subject to prepayment in whole promptly upon failure of the Company to deliver the Mortgage to the Bank within six months of the date of issuance of the Bond in accordance with Section 5.11 of the Agreement.

Upon receipt by the Fiscal Agent of at least five business days' prior written notice specifying a date for the prepayment of the principal of the Bond (or any portion thereof), the Fiscal Agent shall, to the extent that amounts are or become available therefor in the Bond Fund, prepay principal, together with accrued interest on the portion prepaid, on the Bond in accordance with the preceding paragraph; provided, however, that no partial prepayment of less than $50,000 shall be permitted. In addition, if other funds in an amount in excess of $50,000 shall become available in the Bond Fund, and are not otherwise required to be applied to the payment of the Bond, the Fiscal Agent shall, without notice from the Company or the Issuer, promptly, but in any event within five business days from the receipt of such funds, apply such funds to the prepayment of the Bond at the prepayment price set forth above, and shall give notice to the Company of such prepayment. All principal installments of the Bond or portion thereof designated for prepayment will cease to bear interest on the specified prepayment date, provided funds for their prepayment are on deposit at the place of payment at that time.

The Bond may be prepared in typewritten form. Both principal of and interest on the Bond are payable in immediately available funds at the principal office of the Bank.

The Fiscal Agent shall note on the Payment Record attached to the Bond the date and amount of payment of each principal installment or prepayment of principal then being paid, provided, that, as long as the Bank shall be the sole holder of the Bond, it may make the notations of principal on the Payment Record and agrees to do so, in consideration of which the Fiscal Agent waives any requirement that the Bond be presented to it for payment or notation thereon except at final maturity or in the event of a transfer. The Fiscal Agent shall also notify the Issuer at least annually and upon payment in full of the principal of the Bond of each payment (whether at maturity or upon prepayment or acceleration) of principal of the Bond, such notification to include a statement as to the principal balance thereof then remaining outstanding.

The Bond shall be executed by the manual or facsimile signature of the Mayor and attested by the City Clerk of the Issuer and countersigned by the manual or facsimile signature of the City Comptroller and the corporate seal of the Issuer shall be affixed thereto.

The Bond shall be exchangeable for negotiable coupon Bonds in minimum denominations of $100,000, hereinafter described, at the request of the holder of the Bond on any date within 30 days from the date of such request, by surrender of the Bond for cancellation, accompanied by a written instrument of transfer in form satisfactory to the Fiscal Agent duly executed by the holder, and thereupon the Issuer will issue and deliver at the office of the Fiscal Agent, an amount of negotiable coupon Bonds equal to the aggregate principal amount of indebtedness represented by the Bond that is at the date of said transfer and exchange unpaid, together with payment of unpaid accrued interest, if any, due on the Bond to the date of such exchange. The Bond then so exchanged shall be cancelled by the Fiscal Agent.

The negotiable coupon Bonds shall be payable to bearer, provided, however, that such Bonds may be registered as to principal only in the name of the holder thereof on the banks of the Fiscal Agent at which time such registration shall be noted on the Bonds by the Fiscal Agent and thereafter the principal of such Bonds shall be payable only to the registered holder, his legal representatives or assigns. Such registered Bond shall be transferable to another registered holder or back to bearer only upon presentation to the Fiscal Agent with a legal assignment duly acknowledged or approved. Registration of any such Bond shall not affect the negotiability of the coupons thereto attached but such coupons shall be transferable by delivery merely.

The Bond and the obligation to pay interest thereon shall be limited obligations of the Issuer payable solely from revenues and receipts derived by the Issuer pursuant to the Agreement (except to the extent they may be paid out of moneys attributable to Bond proceeds or any income from the temporary investment thereof) and shall be valid claims of the holders thereof only against the Bond Fund and other moneys held by the Fiscal Agent pursuant to this Ordinance and the revenues and receipts derived from the Agreement, which revenues and receipts shall be used for no other purpose than to pay the principal of and interest on the Bond, except as may be otherwise expressly authorized in this Ordinance. The Bond and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision of either thereof, or a charge against the general taxing powers of either thereof, within the meaning of any constitutional or statutory provision of the State of Illinois, but shall be payable solely from the revenues and receipts derived by the Issuer pursuant to the Agreement.

Section 4. Bond Form. The Bond shall be in substantially the following form:

This Bond shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) from the date thereof until maturity on the principal amount from time to time remaining unpaid on this Bond at a rate per annum equal to seven and three-fourths per cent (7.75%). Interest on this Bond will be payable on December 1, 1979 and on each succeeding June 1 and December 1 thereafter until the principal amount hereof is paid.

This Bond shall bear interest on any overdue principal installment to the maximum extent permitted by law at the rate of nine and three-fourths per cent (9.75%) per annum at the maturity of such principal installment, whether by acceleration or otherwise, for the period after such maturity, until paid. Both principal hereof and interest hereon are payable in immediately available funds at the principal office of Continental Illinois National Bank and Trust Company of Chicago (the "Bank"), in the City of Chicago, Illinois.

Payments of principal, including prepayments of principal installments, shall be noted on the Payment Record made a part of this Bond as provided in the Ordinance hereinafter identified pursuant to which the Bond is issued.

This Bond is issued in the aggregate principal amount of $3,700,000 pursuant to the hereinafter described Enabling Ordinance and to an ordinance duly adopted by the governing body of the Issuer (the "Bond Ordinance") for the purpose of providing funds to finance the cost of acquiring, constructing and installing land, buildings, improvements, equipment and related property (such land, buildings, improvements, equipment and related property being hereinafter called the "Project") and paying expenses incidental thereto, to the end that the Issuer may be able to relieve conditions of unemployment and encourage economic development within the City of Chicago, Illinois. The proceeds of this Bond will be used by the Issuer to pay or reimburse Bienenfeld Glass Corporation, a corporation incorporated and existing under the laws of the State of Illinois (hereinafter called the "Company") the costs of acquiring, constructing and installing the Project, under the terms of a Loan Agreement dated as of June 1, 1979 (which agreement, as the same may from time to time be supplemented or amended, is hereinafter referred to as the "Agreement").

This Bond is secured by a pledge and assignment of revenues and receipts derived by the Issuer pursuant to the Agreement, as more fully described in the Bond Ordinance. Reference is made to the Bond Ordinance for a description of the provisions, including without limitation those with respect to the nature and extent of the security, the rights, duties and obligations of the Issuer, the rights of the holder of this Bond and the terms on which this Bond is issued and to all the provisions of which the holder of this Bond by the acceptance hereof assents.

The principal installments of this Bond are subject to prepayment prior to maturity upon written notice given by the Company on behalf of the Issuer at any time and from time to time after June 1, 1982, in whole or in part, at a price equal to the principal amount hereof plus accrued interest to the prepayment date, without premium, all as provided in the Bond Ordinance. The Bond shall be prepaid in inverse order of principal installments.

The Bond is also subject to prepayment prior to maturity in whole promptly upon failure of the Company to deliver the Mortgage to the Bank within six months of the date of issuance hereof.

All principal of this Bond (or portion hereof) designated for prepayment will cease to bear interest on the specified prepayment date, provided funds for such prepayment are on deposit with the Fiscal Agent at that time.

The holder of this Bond, at his option, may surrender the same for cancellation and exchangge for negotiable bearer coupon Bonds, registrable as to principal only, in denominations as set forth in the Bond Resolution pursuant to which this Bond has been issued in an aggregate amount equal to the unpaid principal hereof having attached thereto all coupons maturing after the interest payment date on which interest was last paid hereon, corresponding as to dates and amounts with the unpaid installments.

This Bond is issued pursuant to and in full compliance with the Constitution and laws of the State of Illinois, including without limitation particularly Chapter 15.2 of the Municipal Code of the City of Chicago, as in effect on the date of the Bond Ordinance (the "Enabling Ordinance"). This Bond and the obligation to pay interest hereon are limited obligations of the Issuer and are payable solely from revenues and receipts derived by the Issuer pursuant to the Agreement and otherwise as provided in the Bond Ordinance and the Agreement. This Bond and the obligation to pay interest hereon are not and shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision of either thereof, or a charge against the general credit or taxing powers of either thereof, within the meaning of any constitutional or statutory provision of the State of Illinois, but shall be payable solely from revenues and receipts derived by the Issuer pursuant to the Agreement and otherwise as provided in the Bond Ordinance or the Agreement. Pursuant to the Agreement, payments sufficient for the prompt payment when due of the principal of and interest on this Bond are to be paid by the Company to the Fiscal Agent for the account of the Issuer and deposited in a special account created by the Issuer and designated "Industrial Revenue Bond Fund (Bienenfeld Glass Corporation Project)" and all revenues and receipts payable under the Agreement have been duly pledged and assigned to the Bank to secure payment of such principal and interest.

There is hereby created and established with the Fiscal Agent, which is hereby constituted and appointed as depositary for the Issuer, a special account in the name of the Issuer to be designated "Industrial Revenue Bond Construction Fund (Bienenfeld Glass Corporation Project)" (herein sometimes referred to as the "Construction Fund"). The principal proceeds received by the Issuer from the sale of the Bond shall be deposited in the Construction Fund which shall be held in a separate account by the Fiscal Agent. Moneys in the Construction Fund shall be expended in accordance with the provisions of the Agreement, and particularly Section 3.3 thereof.

The Fiscal Agent, as depositary, shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and after the Project has been completed and a certificate of payment of all costs filed as provided in this Section, the Fiscal Agent shall deliver copies of such records to the Issuer and the Company.

The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Issuer and the Fiscal Agent of a certificate of the Authorized Company Representative required by Section 3.4 of the Agreement. Any moneys thereafter remaining in the Construction Fund shall be applied in accordance with Section 3.4 of the Agreement.

Section 6. Acquisition of Project and Payment of Amounts under the Agreement. It is the declared intention of the Issuer to authorize the loan of the proceeds of the sale of the Bond in order to finance the acquisition, construction and installation of the Project pursuant to the Agreement in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer. The Mayor is hereby authorized to execute and acknowledge said Agreement for and on behalf of the Issuer, and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer.

Said Agreement and the revenues and receipts derived by the Issuer pursuant thereto, including all moneys received under the terms and conditions thereof, are to be sufficient to pay the principal of and interest on the Bond hereby authorized and are hereby pledged and ordered paid into the Bond Fund. The Agreement provides that the Company shall remit required payments thereunder directly to the Fiscal Agent for the account of the Issuer for deposit in said Bond Fund and such provision is hereby expressly approved.

Section 7. Revenues: Bond Fund. The Bond and the obligation to pay interest thereon and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations payable by the Issuer solely from revenues and receipts derived from the Agreement as provided herein.

There is hereby created by the Issuer and ordered established with the Fiscal Agent, as depositary, a special account to be designated "Industrial Revenue Bond Fund (Bienenfeld Glass Corporation Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal of and the interest on the Bond.

There shall be deposited into the Bond Fund, as and when received (a) any amount remaining in the Construction Fund to the extent provided in Section 3.4 of the Agreement; (b) all payments and prepayments specified in Articles IV and VII of the Agreement; and (c) all other moneys received by the Fiscal Agent under and pursuant to any of the provisions of the Agreement. The Fiscal Agent is authorized and directed to apply amounts in the Bond Fund available therefor to the payment when due of the principal of and interest on the Bond.

The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall cooperate fully with the Fiscal Agent to the end of fully protecting the rights and security of the holder(s) of the Bond. Nothing herein shall be construed as requiring the Issuer to operate the Project or to use for payment of principal and interest any funds or revenues from any source other than funds and revenues derived by the Issuer pursuant to the Agreement.

Any amounts remaining in the Bond Fund after payment in full of the principal of and interest on the Bond (or provision for payment thereof as provided in this Ordinance) and the charges and expenses of the Fiscal Agent, shall be paid to the Company upon the expiration or sooner termination of the term of the Agreement as provided herein and in Section 9.5 of the Agreement.

Section 8. Assignment. As security for the due and punctual payment of the principal of and interest on the Bond hereby authorized the Issuer hereby pledges and assigns to the Bank all revenues and receipts derived by the Issuer pursuant to the Agreement (except any payment made pursuant to Section 5.3 and 6.3 of the Agreement relating to indemnification and expenses of the Issuer) and all rights and remedies of the Issuer under the Agreement to enforce payment thereof, and as evidence of such pledge and assignment the Mayor is hereby authorized to execute for and on behalf of the Issuer the Assignment and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer, and the Mayor and City Clerk are authorized and directed to cause the Assignment to be executed by the Bank, with the Assignment to be in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

Section 9. Investments; Arbitrage. Any moneys held as part of the Construction Fund created pursuant to Section 5 hereof or the Bond Fund created pursuant to Section 7 hereof may be invested or reinvested at the direction of an Authorized Company Representative in accordance with the provisions of Section 3.5 of the Agreement. Any such investment shall be held by or under control of the Fiscal Agent and shall be deemed at all times a part of such fund and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund, which loss shall be an obligation of the Company as provided in the Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Company may direct the Fiscal Agent to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

With respect to Section 103(c) of the Code, the Company has made certain certifications and representations to the Issuer pursuant to Section 3.6 of the Agreement, which certifications and representations by this reference are incorporated herein and made a part hereof and the governing body of the Issuer, acting in reliance on such certifications and representations, adopts and ratifies such certifications and representations and hereby covenants with the Bank and any holder(s) of the Bond that so long as any principal of the Bond remains unpaid, the governing body of the Issuer will not take or authorize the taking of any action which will cause the Bond to be classified as an "arbitrage bond" within the meaning of Section 103(c) of the Code and any lawful regulations promulgated or proposed thereunder, including Section 1.103-13 and Section 1.103-14 of the Income Tax Regulations (26 CFR Part 1) as the same presently exist, or may from time to time hereafter be amended, supplemented or revised.

Section 10. General Covenants. The Bond and the obligation to pay interest thereon are limited obligations of the Issuer and are payable solely from revenues and receipts derived by the Issuer pursuant to the Agreement and otherwise as provided herein and in the Agreement. The Bond and the obligation to pay interest thereon are not and shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision of either thereof, or a charge against the general taxing powers of either thereof, within the meaning of any constitutional or statutory provision of the State of Illinois.

The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Ordinance, in the Bond and in all proceedings of its governing body pertaining thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bond authorized hereby, and to pledge and assign the revenues and receipts hereby pledged and assigned in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bond has been duly and effectively taken and that the Bond is and will be a valid and enforceable limited obligation of the Issuer according to the true intent and meaning thereof.

The Issuer covenants that it will execute, acknowledge and deliver such instruments, financing statements and other documents as the Bank or the holder(s) of the Bond may reasonably require for the better assuring, pledging and assigning unto the Bank the rights of the Issuer in and to the revenues and receipts hereby pledged and assigned to the payment of the principal of and interest on

the Bond. The Issuer covenants and agrees that, except as provided herein and in the Agreement, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the revenues and receipts derived pursuant to the Agreement, or of its rights under the Agreement.

The Issuer covenants and agrees that all books and documents in its possession relating to the Project and the revenues and receipts derived therefrom pursuant to the Agreement shall at all reasonable times be open to inspection by the Bank and the holder(s) of the Bond or such accountants or other agencies as the Bank or such holder(s) may from time to time designate.

The Issuer covenants and agrees that it shall through the Bank enforce all of its rights and all of the obligations of the Company under the Agreement for the benefit of the holder(s) of the Bond. The Issuer shall protect the rights of the Bank and the holder(s) of the Bond hereunder with respect to the assignment and pledge of the revenues and receipts as the same shall become due and payable pursuant to the Agreement.

Section 11. Events of Default and Remedies. If any of the following events occur it is hereby defined as and declared to be and to constitute an "event of default":

Upon the occurrence of an event of default and so long as such event is continuing, the Bank, by notice in writing delivered to the Issuer and the Company, may declare all principal of the Bond and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable, anything in the Bond or in this Ordinance to the contrary notwithstanding. Upon any such declaration all payments under the Agreement from the Company shall immediately become due and payable as provided in Sections 4.2 and 6.2 of the Agreement.

While any principal of the Bond or interest thereon remains unpaid, the Issuer shall not exercise any of the remedies on default specified in Section 6.2 of the Agreement without the prior written consent of the Bank.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bank or the holder(s) of the Bond is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bank or the holder(s) of the Bond or now or hereafter existing at law, in equity or by statute.

No delay or omission to exercise any right, power or remedy accruing upon any event of default shall impair any such right, power or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right, power or remedy may be exercised from time to time as often as may be deemed expedient.

Housing Code

Declaration of Policy

(a) Minimum standards for cooking, heating and sanitary equipment necessary and expedient to promote health, suppress disease and protect safety of occupants of such buildings, and of neighboring properties;

(b) Facilities for ventilation, light, space and means of egress which promote health and preserve safety;

(c) Minimum standards of maintenance and responsibilities of owners, operators and occupants of dwellings for such maintenance which promote health and safety and aid in the enforecement of such standards;

(d) Minimum standards essential to health, safety and welfare which are uniform in application to all dwellings whenever constructed so that with the resulting uniformity, simplicity and certainty, owners, operators and tenants are better able to determine the applicability of the law to them and the laws applicable to housing are administratively more convenient to enforce.

The City Council Finds That

(a) There exists in the city numerous dwellings which are substandard in one or more important features of structure, equipment, maintenance and occupancy;

(b) Such conditions adversely affect public health and safety;

(c) Such conditions contribute to the rapid deterioration and declining desirability of many residential areas of our city and tend to produce blight and slums;

(d) Such conditions conflict with Conservation Programs designed to prevent slums and conserve residential areas;

(e) Adequate protection of public health, safety, comfort and welfare (the maintenance of a workable program) for prevention of slums and

conservation of our city required the establishment and enforcement of minimum housing standards applicable to all dwelling units in this city.

Applicability of Housing Code

78-11 Section 78-11 through 78-21.3 of this Chapter are referred to within said sections as the housing code of the City of Chicago. This housing code is applicable to occupancy for residential purposes of any building, whether or not such building was erected, altered or converted in full or substantial compliance with ordinances in force at the time of its erection, alteration or conversion and whether or not such building was erected, altered or converted prior to the effective date of this housing code. Whenever any such ordinance impose higher standards of health and safety than the standards imposed by this housing code, this housing code does not make a continued violation of such ordinance legal, nor does this housing code permit any building which complies with such ordinance to be altered or converted, as to either structure or occupancy, to conform to any lower standards imposed by this housing code. The requirements imposed by this housing code shall be in addition to other applicable requirements for existing buildings imposed by other provisions of this chapter.

Sanitation, Water and Heating

Portable heating equipment employing flame and the use of gasoline as a fuel does not meet the requirements of this section and is prohibited. The owner may require that the occupant shall provide the required heating facilities at the occupant's expense but such agreement or requirement does not relieve the owner from responsibility for the presence of such heating equipment in the family unit.

The Committee on Traffic Control and Safety submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith (as a substitute for a proposed ordinance referred to the committee on May 2, 1979):

WHEREAS, Because of the presence of schools, hospitals and commuter stations adjacent to residential neighborhoods, persons gathering at these institutions park their vehicles on the streets in the residential neighborhoods; and

WHEREAS, This practice results in hazardous traffic conditions, polluted air, excessive noise, trash and refuse; and

WHEREAS, The congestion caused by automobiles hinders residents from gaining access to their homes, endangers the lives of neighborhood children at play and destroys the residential atmosphere of the neighborhoods; and

WHEREAS, Restricting the permitted parking in such districts to residents and those having business with residents will preserve the safe, clean atmosphere of the streets, preserve the value of the property, and preserve the safety of children; and

WHEREAS, The City of Chicago is a home-rule unit within the meaning of the Illinois Constitution of 1970, and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The promulgation of parking regulations is clearly a function pertaining to the government and affairs of the City of Chicago; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago, Chapter 27-317(a) is hereby amended by deleting in its entirety the existing Section 27-317(a) and by substituting therefor a new Section 27-317(a) in Italics as follows:

27-317(a) The Commisisoner of Streets and Sanitation is hereby authorized to erect signs on any block of any residential street in an R1, R2 or R3 zoning district indicating resident permit parking only, when it has been determined on the basis of a traffic engineering survey that 33% or more of the vehicles parked in a given block are not owned by residents of that district. The hour of the day and the days of the week or months of the year when these regulations will be effective shall also be determined by this traffic engineering survey.

(b) When official signs are erected indicating resident permit parking only, parking shall be restricted to service or delivery vehicles whose operators are doing business with residents of the district, and to vehicles displaying resident or visitor parking permits.

(c) Upon application and payment of the required fee to the Director of the Department of Revenue the City Clerk shall issue annual "Residential Parking Permit" decals to residents of the district for use on each car owned and registered within any residential parking district and displaying a current City vehicle sticker. Such a "Residential Parking Permit" sticker shall be affixed, in accordance with the instructions printed thereon which are made a part hereof, and without the use of supplemental adhesives, at the lower righthand corner on the inside of the glass portion of the windshield of such motor vehicle, directly above the City of Chicago vehicle tax sticker. This permit sticker shall not guarantee or reserve any parking space, nor shall it exempt the holder from the observance of any traffic or parking regulation.

(d) Upon application, individual permits shall also be issued to residents for the use of non-residents who are temporary visitors of the resident permit district. These permits shall be good for one day only, and must be attached to the windshield by means of the adhesive provided on the face of the permit. Before affixing the one-day permit, it must be validated by printing the date legibly on its face in the space provided for this purpose. An undated permit will be considered invalid.

(e) The fee for the annual "Residential Parking Permit" is $10.00 for each vehicle, and the fee for one-day permit is five cents. One-day permits shall be issued in groups of 20 for $1.00. A replacement of an annual permit will be issued without cost upon receipt of an identifiable portion of the removed decal and a receipt for the current City vehicle sticker. Replacement of any permits which are lost or destroyed will be made at full cost.

The following is said ordinance as passed:

WHEREAS, Pursuant to Chapter 21, Section 21-64 of the Municipal Code of Chicago, the Commission on Chicago Historical and Architectural Landmarks has determined that the area known as the Kenwood District, located within the general boundaries of E. 47th Street on the north; S. Dorchester and S. Blackstone Avenues on the east; E. Hyde Park Boulevard on the south; and S. Ellis Avenue and S. Drexel Boulevard on the west, is worthy of designation as a "Chicago Landmark"; and

WHEREAS, On the basis of a careful consideration of the history and architecture of the area, the Commission has found that it meets the following criteria as set forth in Chapter 21, Section 21-64(b) of the Municipal Code of Chicago:

1. Its character, interest, or value as part of the development, heritage, or cultural characteristics of the City of Chicago, State of Illinois, or the United States.

3. Its identification with a person or persons who significantly contributed to the culture and development of the City of Chicago.

4. Its exemplification of the cultural, economic, social, or historic heritage of the City of Chicago.

5. Its portrayal of the environment of a group of people in an era of history characterized by a distinctive architectural style.

6. Its embodiment of distinguishing characteristics of an architectural type or specimen.

7. Its identification as the work of an architect or master builder whose individual work has influenced the development of the City of Chicago.

8. Its embodiment of elements of architectural design, details, materials, or craftsmanship which represent a significant architectural innovation.

9. Its relationship to other distinctive areas which are eligible for preservation according to a plan based on an historic, cultural, or architectural motif.

10. Its unique location or singular physical characteristic representing an established and familiar visual feature of a neighborhood, community, or the City of Chicago; and

WHEREAS, The history of the Kenwood community reflects the development of the City of Chicago, State of Illinois, and the United States, for the area that is now Kenwood was first settled as part of the suburb of Hyde Park and annexed in 1889 and its suburban character is evident even today due to the efforts of Kenwood residents who strive to preserve the District's historical character; and

WHEREAS, The Kenwood District vividly portrays the character of an affluent late nineteenth-century Middle Western suburban community where many of Chicago's most prominent architects designed large single-family residences set on spacious lots and tree-lined streets, making this community representative of the cultural, economic and social growth of Chicago; and

WHEREAS, The community contains many homes that have been identified over the years with prominent Chicagoans such as Martin Ryerson, Gustavson Swift, Julius Rosenwald, Enos Barton, Louis Sullivan, Edgar Lee Masters, William O. Goodman, Joseph Schaffner, Max Adler, and many other Kenwood residents who significantly contributed to the culture and growth of the City; and

WHEREAS, Kenwood is especially interesting because it richly embodies architectural types of great variety and a high degree of individuality including homes in the elegantly symmetrical designs of the Italianate style, Queen Anne designed Villas with their informal turrets, bays and porches, Richardsonian romanesque styles characterized by its rough cut stone, deep-set windows and rounded arches, Renaissance revival and Tudor houses, Georgian and Colonial revival styles, and examples of the Prairie school style of architecture developed by Frank Lloyd Wright and other architects working in the Chicago area; and

WHEREAS, Kenwood is the site of several uniquely constructed and well preserved structures such as the Blossom House, one of the last buildings Frank Lloyd Wright designed in an historical revival style, architect George Maher's house for J. J. Dau, George C. Nimmons' beautiful Colonial revival home for poet Edgar Lee Masters, and the Frankenthal house designed by Hugh Garden in the Prairie School style; and

WHEREAS, The Commission on Chicago Historical and Architectural Landmarks has concluded that the Kenwood District is truly important to Chicago and deserves to be preserved, protected, enhanced, rehabilitated, and perpetuated, and that the Commissioner of the Department of Planning, City and Community Development, has concurred with the recommendations that the Kenwood District be designated as a Chicago Landmark; now, therefore,

Interest on the Bond will be payable on June 30, 1979 and on each succeeding December 31 and June 30 thereafter until the principal amount of the Bond is paid.

Whenever any payment to be made on the Bond shall otherwise be due on a day which is a Saturday, Sunday or a legal holiday or a day on which national or New York banking institutions are authorized by law to close, such payment shall be made on the next succeeding business day not a Saturday, Sunday or such legal holiday or day on which national or New York banking institutions are authorized by law to close ("business day"), and such extension of time shall be included in computing interest on the Bond payable on such next succeeding business day.

The Bond shall bear interest on any overdue principal thereof to the maximum extent permitted by law at a rate per annum equal to seven and three-tenths per cent (7.30%) at the maturity of such principal (whether by installment, declaration, acceleration or otherwise) from and after such maturity until paid.

The principal of the Bond is subject to prepayment upon written notice given by the Company on behalf of the Issuer as set forth in the next succeeding paragraph of this Section (i) prior to five years after the date of the Bond if the Board of Directors of the Company, by proper corporate proceedings, shall determine that the Project is not a necessary part of the Company's business or if the Company shall cease to be engaged in the business of selling chemicals to the metals industry, and in any such case upon payment by the company to the Bank of an amount equal to the Call Price and (ii) at any time and for any reason five years after the date of the Bond, in whole or in part, and if in part in the direct order of maturity at a prepayment price equal to the principal amount thereof plus accrued interest to the prepayment date, without premium.

Upon receipt by the Bank of at least fifteen business days prior written notice specifying a date for the prepayment of the principal of the Bond (or any portion thereof), the Bank shall, to the extent that amounts are or become available therefor in the Bond Fund, prepay principal, together with accrued interest on the portion prepaid, of the Bond in accordance with the preceding paragraph; provided, however, that no partial prepayment of less than $50,000 shall be permitted. In addition, if other funds in an amount in excess of $50,000 shall become available in the Bond Fund, and are not otherwise required to be applied to the payment of the principal of the Bond, the Bank shall, without notice from the Company or the Issuer, promptly, but in any event within fifteen business days from the receipt of such funds, apply such funds to the prepayment of the principal of the Bond at the prepayment price set forth above, and shall give notice to the Company of such prepayment. All principal of the Bond (or portion thereof) designated for prepayment will cease to bear interest on the specified prepayment date, provided funds for such prepayment are on deposit at the place of payment at that time.

The principal of and interest on the Bond shall be payable to the order of the Bank or its assigns in lawful money of the United States of America at the principal office of the Bank in New York, New York. The Bank shall note on the Payment Record attached to the Bond the date and amount

of each payment or prepayment of principal and interest then being paid on the Bond and upon request of the Company or the Issuer, the Bond shall be available for inspection by the Company or the Issuer at the offices of the Bank at 23 Wall Street, New York, New York 10015. The Bank shall also notify the Issuer at least annually and upon payment in full of the principal of the Bond of each payment or prepayment of principal of the Bond, such notification to include a statement as to the principal balance thereof then remaining outstanding.

The Bond may not be transferred by the Bank, except as a whole and after approval in writing by the Issuer and the Company of such transfer. The Bank is not prevented or restricted from granting participations in the Bond to other parties deemed appropriate by it.

The Bond shall be signed by the Mayor and attested by the City Clerk of the Issuer and countersigned by the City Comptroller and the corporate seal of the Issuer shall be affixed thereto.

The Bond and the obligation to pay interest thereon shall be limited obligations of the Issuer payable solely from revenues and receipts derived by the Issuer pursuant to the Agreement (except to the extent it may be paid out of moneys attributable to Bond proceeds or any income from the temporary investment thereof) and shall be valid claims of the holder thereof only against the Bond Fund and other moneys held by the Bank pursuant to this Ordinance and the revenues and receipts derived from the Agreement, which revenues and receipts shall be used for no other purpose than to pay the principal of and interest on the Bond, except as may be otherwise expressly authorized in this Ordinance. The Bond and the obligation to pay interest thereon does not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision of either thereof, or a charge against the general taxing powers of either thereof, within the meaning of any constitutional or statutory provision of the State of Illinois, but shall be payable solely from the revenues and receipts derived by the Issuer pursuant to the Agreement.

Any moneys thereafter remaining in the Construction Fund shall be applied in accordance with Section 3.5 of the Agreement.

SECTION 6. *Acquisition of Project and Payment of Amounts under the Agreement.* It is the declared intention of the Issuer to acquire the Project, to authorize the disbursement of the proceeds of the sale of the Bond in order to finance the construction of the Project, to lease the Project to the Company under and pursuant to the Agreement in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer. The Mayor is hereby authorized to execute and acknowledge said Agreement for and on behalf of the Issuer, and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer.

Said Agreement and the revenues and receipts derived by the Issuer pursuant thereto, including all moneys received under the terms and conditions thereof, are to be sufficient to pay the principal of and interest on the Bond hereby authorized and are hereby pledged and ordered paid into the Bond Fund. The Agreement provides that the Company shall remit required payments thereunder directly to the Bank for the account of the Issuer for deposit in said Bond Fund and such provision is hereby expressly approved.

SECTION 7. *Revenues: Bond Fund.* The Bond and the obligation to pay interest thereon and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations payable by the Issuer solely from revenues and receipts derived from the Agreement as provided herein.

There is hereby created by the Issuer and ordered established with the Bank, as depositary, a special account to be designated "Industrial Revenue Bond Fund (Nalco Chemical Company Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal of and the interest on the Bond.

There shall be deposited into the Bond Fund, as and when received (a) any amount remaining in the Construction Fund to the extent provided in Section 3.5 of the Agreement; (b) all payments and prepayments specified in Articles IV and VII of the Agreement; and (c) all other moneys received by the Bank under and pursuant to any of the provisions of the Agreement. The Bank is authorized and directed to apply amounts in the Bond Fund available therefor to the payment when due of the principal of and interest on the Bond.

The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall cooperate fully with the Bank to the end of fully protecting the rights and security of the Bank. Nothing herein shall be construed as requiring the Issuer to operate the Project or to use any funds or revenues from any source other than funds and revenues derived by the Issuer pursuant to the Agreement.

Any amounts remaining in the Bond Fund after payment in full of the principal of and interest on the Bond (or provision for payment thereof as provided in this Ordinance) and the charges and expenses of the Bank, shall be paid to the Company upon the expiration or sooner termination of the term of the Agreement as provided herein and in Section 9.5 of the Agreement.

SECTION 8. *Assignment.* As security for the due and punctual payment of the principal of and interest on the Bond hereby authorized the Issuer hereby pledges and assigns to the Bank all revenues and receipts derived by the Issuer pursuant to the Agreement (except any payment made pursuant to Section 5.3 and 6.3 of the Agreement relating to indemnification and expenses of the Issuer) and all rights and remedies of the Issuer under the Agreement to enforce payment thereof, and as evidence of such pledge and assignment and of the agreement of the Bank to accept its responsibilities with respect to the Construction Fund created pursuant to Section 5 hereof and with respect to the Bond Fund created pursuant to Section 7 hereof, the Mayor is hereby authorized to execute for and on behalf of the Issuer the Assignment and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer, and the Mayor and City Clerk are authorized and directed to cause the Assignment to be executed by the Bank, with the Assignment to be in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

Any such investment shall be deemed at all times a part of such fund and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund, which loss shall be an obligation of the Company as provided in the Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Company may direct the Bank to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

With respect to Section 103(c) of the Code, the Company has made certain certifications and representations to the Issuer pursuant to Section 3.7 of the Agreement, which certifications and representations by this reference are incorporated herein and made a part hereof and the governing body of the Issuer, acting in reliance on such certifications and representations, adopts and ratifies such certifications and representations and hereby covenants with the Bank and any holder of the Bond that so long as any principal of the Bond remains unpaid, the governing body of the Issuer will not take or authorize the taking of any action which will cause the Bond to be classified as an "arbitrage bond" within the meaning of Section 103(c) of the Code and any lawful regulations promulgated or proposed thereunder, including Section 1.103-13 and Section 1.103-14 of the Income Tax Regulations (26 CFR Part 1) as the same presently exist, or may from time to time hereafter be amended, supplemented or revised.

SECTION 10. *General Covenants.* The Issuer covenants that it will promptly cause to be paid solely from the source mentioned in the Bond the principal of and interest on the Bond hereby authorized at the place, on the dates and in the manner provided herein and in the Bond according to the true intent and meaning hereof and thereof. The Bond and the obligation to pay interest thereon are limited obligations of the Issuer and are payable solely from revenues and receipts derived by the Issuer pursuant to the Agreement and otherwise as provided herein and in the Agreement. The Bond and the obligation to pay interest thereon are not and shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision of either thereof, or a charge against the general taxing powers of either thereof, within the meaning of any constitutional or statutory provision of the State of Illinois.

The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provision contained in this Ordinance, in the Bond and in all proceedings of its governing body pertaining thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bond authorized hereby, and to pledge and assign the revenues and receipts hereby pledged and assigned in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bond has been duly and effectively taken and that the Bond is and will be a valid and enforceable limited obligation of the Issuer according to the true intent and meaning thereof.

The Issuer covenants that it will execute, acknowledge and deliver such instruments, financing statements and other documents as the Bank may reasonably require for the better assuring, pledging and assigning unto the Bank the rights of the Issuer

in and to the revenues and receipts hereby pledged and assigned to the payment of the principal of and interest on the Bond. The Issuer covenants and agrees that, except as provided herein and in the Agreement, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the revenues and receipts derived pursuant to the Agreement, or of its rights under the Agreement.

The Issuer covenants and agrees that all books and documents in its possession relating to the Project and the revenues and receipts derived therefrom pursuant to the Agreement shall at all reasonable times be open to inspection by the Bank or such accountants or other agencies as the Bank may from time to time designate.

The Issuer covenants and agrees that it shall through the Bank enforce all of its rights and all of the obligations of the Company under the Agreement for the benefit of the Bank. Grant to Chicago Tribune Building Corporation.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to the Chicago Tribune Building Corporation, an Illinois corporation, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed a railroad switch track connecting with the now existing track of the Chicago and Northwestern Railroad in east North Water Street, south of the east line of N. St. Clair Street; thence running in a westerly direction across east North Water Street and along the north side of E. Hubbard Street a distance of one hundred twenty (120) feet; for a period of five (5) years from and after June 23, 1979.

The location of said switch track shall be as shown on prints hereto attached, which by reference is made a part of this ordinance. Said switch track shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

The grantee agrees to furnish the City of Chicago a surety bond in the sum of $10,000.00, said bond to be used to defray cost of removal of said structures and appliances at any time the City

of Chicago determines the need for removal or to be used for any liability suits, judgments, damages or any costs resulting prior to or after expiration of the authority herein granted.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 dollars ($300.00) per annum, in advance, the first payment to be made as of June 23, 1979, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor and the City Comptroller in their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance to the City Municipal Code. For the City of Chicago to recover from the Bonding Company and grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and his decision as to the amount shall be final and binding. The grantee and the Bonding Company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of Chicago Tribune Building Corporation, to furnish the City of Chicago, prior to issuance of permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $250,000.00/$500,000.00 for Public Liability and $250,000.00 for Property Damage, and also to name the City of Chicago as "Additionally Insured". Certificates renewing insurance must be furnished to the Department of Finance, Real Estate Division, no later than 30 days prior to expiration of policy.

SECTION 5. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the City Comptroller and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to, or recovered from said City from, or by reason, or on account of, any act or thing done, or omitted, or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. SECTION 6. The surety, as to the extent of its penal bond as provided in Section 1, and the grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 7. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written Acceptance of this Ordinance with the City Clerk, provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the City Comptroller.

The Mayor of the City of Chicago is authorized to execute on behalf of the City of Chicago, upon approval of The Corporation Counsel as to form and legality, and the Economic Development Commission is authorized to take steps necessary to implement, a Project Agreement between the City of Chicago and Sears, Roebuck and Company. Said agreement will obligate the City of Chicago to expend so much of the funds received under the Urban Development Action Grant Agreement, not to exceed $2,000,000, necessary to construct vehicular access ramps to the S. Damen Avenue viaduct to permit access to sites which presently have access to S. Ashland Avenue across the property acquired by Sears, Roebuck and Company for the construction of a terminal-warehouse facility and to install water and sewer lines along S. Ashland Avenue and perform related improvements to S. Ashland Avenue. Said agreement will obligate Sears, Roebuck and Company to Acquire approximately 61.69 acres of land located at W. 28th Street and S. Ashland Avenue and to construct thereon a freight handling facility terminal and office with total estimated project costs for land, improvements and equipment of approximately $26,000,000. Said Project Agreement being in supstantially the following form:

Project Agreement

This Agreement, made on or as of the ..... day of ....., 1979 between the City of Chicago, Economic Development Commission of the City of Chicago (hereinafter jointly and severally referred to as the City of Chicago), having an office at Room 2020, 2 First National Plaza, Chicago, Illinois; and Sears, Roebuck and Co. (hereinafter "Sears"), having its office located at Sears Tower, Chicago, Illinois;

WITNESSETH:

Whereas, the Commission was established on the 12th day of December, 1975, by ordinance of the City Council of the City of Chicago; and

Whereas, the Commission has, as it primary purpose, the creation of additional employment opportunities in the City of Chicago through the attraction and expansion of industrial development in the City; and

Whereas, Sears has indicated a willingness to purchase land and build a freight facility on it, located on the West side of S. Ashland Avenue, between the Chicago River and the Stevenson Expressway (hereinafter "the Property") provided that the Commission would assist in making that site suitable for that purpose; and

Whereas, the City of Chicago has made an application to the United States Department of Housing and Urban Development for an Urban Development Action Grant (hereinafter UDAG Grant) for the funding of the construction of access ramps to the S. Damen Avenue viaduct and the installation of water and sewer lines and related improvements to S. Ashland Avenue in Chicago described in further detail below; and

Whereas, HUD, through the UDAG Program, in response to the above application, approved UDAG grant application as Grant No. B-00-AA-17-0023 to the City of Chicago in the amount of $2,000,000 all as set out in the applicable Grant Agreement; and

Whereas, the Commission issued a Letter of Intent dated March 8, 1979, addressed to Sears, Roebuck and Co., signifying its intent to initiate and prosecute, through the appropriate personnel of the City of Chicago, the necessary steps to obtain legislative or administrative approval for the City of Chicago to perform the duties and obligations assigned to the City of Chicago in the Agreement attached to said letter, which concern the funding (including an application for a UDAG Grant), construction, and maintenance of access ramps at S. Damen Avenue adjacent to the Property, said Agreement hereinafter being referred to as the Multiparty Agreement (a copy of which is attached hereto as Exhibit A); and

Whereas, the City of Chicago intends to expend the funds received under the above mentioned UDAG Grant in performance of the activities described in the application for the UDAG Grant, in Exhibit B of the UDAG Grant Agreement, and in further detail below, subject to the terms of the following agreement with Sears, Roebuck and Co.;

Now, Therefore, it is hereby agreed by and between the parties hereto, for and in consideration of the following mutual covenants and promises;

Section I. The City of Chicago hereby agrees to perform the following activities:

A. S. Damen Avenue viaduct access ramps; to engineer and construct vehicular access ramps to the S. Damen Avenue viaduct (as more particularly described in Exhibit B of the Multiparty Agreement). Said access ramps will be designed to accommodate truck traffic serving sites owned by the State of Illinois and the Illi-

nois Central Gulf Railroad which presently have access to S. Ashland Avenue across the site acquired by Sears, Roebuck and Co. for the construction of the freight handling facility by means of easements located on said site which will be vacated to accommodate the construction and operation of the freight handling facility. The City of Chicago agrees to spend so much of the above mentioned UDAG Grant of $2,000,000 (but, subject to the balance of this sentence, not to exceed such amount) as is necessary to accomplish this task and agrees to spend such additional sums as attributed to it in the above mentioned Multi-party Agreement.

B. Water and sewer and street improvements; to install water and sewer lines along S. Ashland Avenue to serve the Property and related improvements adjacent to S. Ashland Avenue as more particularly described in the application for the UDAG Grant and in Exhibit B of the UDAG Grant Agreement. The City of Chicago hereby agrees to pay up to $500,000 to make such improvements out of its Community Development Block Grant funds which it has received for such work.

Section II. Sears, Roebuck and Co. shall acquire, at a cost of not less than $4,316,268, a tract of land consisting of approximately 61.69 acres located at W. 28th Street and S. Ashland Avenue known as the Property for the purpose of constructing thereon the Freight Facility described in Section I above.

Sears, Roebuck and Co. shall develop the Property by constructing (at an estimated cost of $14,000,000) a freight handling facility terminal and office of approximately 505,000 square feet on the property, said facility to be operated initially by Terminal Freight Handling Company, a wholly owned subsidiary of Sears, Roebuck and Co. Sears, Roebuck and Co. will purchase and have installed (at an estimated cost of $8,000,000) machinery and equipment for said facility. The total estimated project cost for land, improvements and equipment shall be approximately $26,000,000. Plans and specifications for the construction on the property shall be in conformity with all applicable state and local laws and regulations. The property shall be used exclusively for freight handling purposes.

Section III.

A. Sears, Roebuck and Co. attaches to this Agreement as Exhibit B documentation indicating the commitment by the Board of Directors of Sears, Roebuck and Co. of sufficient funds to complete the construction project under taken by Sears, Roebuck and Co. in the previous paragraph and the City of Chicago accepts such documentation as sufficient evidence concerning the necessary financial commitments to accomplish this work. Sears hereby waives and releases any claim to the performance or completion of Alternative B of the Multi-party Agreement.

B. Sears, Roebuck and Co. will keep and maintain books and records and other documents relating to the Activities to be performed by it under Section II hereof, to which any duly authorized representative of the Secretary of U.S. Department of Housing and Urban Development or Comptroller General of the United States shall, at all reasonable times, have access to and the right to inspect, copy, audit, and examine all such books, records and other documents of such Participating Party until the completion of all close-out procedures respecting this grant, and until the final settlement and conclusion of all issues arising out of this grant or under the Grant Agreement.

Section IV. The City of Chicago will commence performance of the Activities described in Section I promptly upon execution of this Agreement, and shall complete such Activities by March 31, 1980.

Section V. Sears will commence performance of the Activities described in Section II promptly upon execution of this Agreement, and shall complete such Activities by September 30, 1980.

Section VI. Neither the City of Chicago nor Sears nor any successor in interest shall be considered in breach or default of its obligations with respect to the commencement and completion of construction of the Activities in Section I or II respectively in the event of enforced delay in the performance of such obligations due to unforseeable causes beyond its control and without its fault or negligence. The time for performance of the obligations shall be extended for the period of the enforced delay, if the party seeking the extension shall request it in writing of the other party.

Section VII.

A. *In General.* Except as otherwise provided in this Agreement, in the event of any default in or breach of the Agreement, or any of its terms or conditions, by any party hereto, or any successor to such party, such party (or successor) shall upon written notice from the other, proceed immediately to cure or remedy such default or breach, and, in any, event, within sixty (60) days after receipt of such notice. In case such action is not taken or not diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach.

B. *No Waiver by Delay.* Any delay by either party hereto in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or to deprive it of or limit such rights in any way (it being the intent of this provision that neither party should be constrained, so as to avoid the risk of being deprived of or limited in the exercise of the remedy provided in this Section because of concepts of waiver, laches, or otherwise to exercise such remedy at a time when it may still hope otherwise to resolve the problems created by the default involved); nor shall any waiver in fact made by either party with respect to any specific default by the other under this Section be considered or treated as a waiver of the rights of either party with respect to any other defaults by the other under this Section or with respect to the particular default except to the extent specifically waived in writing.

Section VIII. No member, official, or employee of the City of Chicago shall have any personal interest, direct or indirect, in this Agreement; nor shall any such member, official, or employee participate in any decision relating to this Agreement which affects his personal interests or the interests of any corporation, partnership or association in which he is directly or indirectly interested. No member, official or employee of the City shall be personally liable to Sears or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to Sears or its successor or on any obligation under the terms of this Agreement.

Section IX. *Equal Employment Opportunity.* Sears, for itself and its successors and assigns, agrees that during the construction of the improvements provided for in the Agreement:

A. Sears will obtain from its General Contractor building the Improvements the assurance that it will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin. Sears will take affirmative action to ensure that Contractor's applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship, and that Contractor will post in conspicuous places, available to employes and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

B. Further, Sears will obtain Contractor's assurance that it will, in all solicitations or advertisements for employees placed by or on its behalf, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex or national origin.

Section X. Sears represents and warrants that it has obtained, or has reasonable assurance that there will be obtained, (including an assurance from the City of Chicago, contained in letters to Sears dated November 8, 1978 and January 31, 1979, copies of which are attached hereto as Exhibits C and D) all Federal, State, and Local Governmental approvals and reviews required by law to be obtained by Sears in completing its Activities described in Section II above.

Section XI. Sears represents and warrants that the terminal freight handling facility which will be constructed pursuant to Section II above will create approximately 350 new jobs in the City of Chicago within two (2) years after the completion of the construction.

Section XII. Nothing contained in this agreement, nor shall any act of the Secretary of H.U.D., or of the City of Chicago, or of any of the parties hereto, be deemed or construed by any of the parties, or by third persons, to create any relationship or principal and agent, or of limited or general partnership, or of joint venture, or of any association involving the Secretary.

In Witness Whereof, the City of Chicago has caused this Agreement to be duly executed in its name and behalf by the Mayor of the City of Chicago. The City of Chicago and Sears have signed and sealed the same on or as of the ..... day of ....., 1979.

[UDAG Grant Agreement omitted for printing purposes.]

SECTION 3. This ordinance shall take effect on and after the date of its passage.

To the Honorable, The City Council of the City of Chicago:

These bonds will fund a project to be constructed by the Damon Corporation for the use of the Arrow Handicraft Corporation.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,
(Signed) JANE M. BYRNE,
Mayor.

The following is said ordinance transmitted with the foregoing communication:

SECTION 3. This ordinance shall be in full force and effect from and after its passage.

[Memorandum of Agreement attached to the foregoing ordinance reads as follows]

Memorandum of Agreement

This Memorandum of Agreement (the "Agreement") is between the Economic Development Commission of the City of Chicago, Illinois (the "Commission"), and Damon Corporation, a Delaware corporation (the "Company").

1. Preliminary Statement. Among the matters of mutual inducement which have resulted in this Agreement are the following:

(a) The City of Chicago, Illinois (the "City") is a home rule unit under Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois and as such home rule unit has duly adopted Chapter 15.2 of the Municipal Code of Chicago (the "Ordinance") authorizing and empowering the City to issue revenue bonds for the purpose of financing the cost of acquisition, purchase, construction, rehabilitation, redevelopment or extension of any industrial development projects (as defined in the Ordinance) in order to encourage development of the City.

(b) The Company operates an industrial facility within the City and proposes to construct improvements thereto, such improvements to constitute the "Project", for use by the Arrow Handicraft Corporation, a wholly owned subsidiary of the Company, in its business of manufacturing handicraft items. The Company wishes to obtain satisfactory assurance from the City that the proceeds from the sale of the revenue bonds of the City will be made available to finance the cost of the Project.

(c) The Commission is authorized pursuant to the Ordinance to enter into agreements with respect to industrial development projects and the financing thereof and to make recommendations to the City with respect to the issuance of revenue bonds.

(d) Subject to due compliance with all requirements of law, the Commission will proceed to take such action as may be necessary to cause to be prepared such agreements, mortgages, indentures, or such other documents as may be necessary to cause the City, by virtue of such authority as may now or hereafter be conferred by the Ordinance, to issue and sell its revenue bonds in an amount not exceeding $1,000,000 (the "Bonds") to pay costs of the Project and costs incidental to the issuance of the Bonds.

(e) The Commission considers that the financing by the City of the cost of constructing improvements to the aforesaid industrial facility for use by the Company will promote and further the purposes of the Ordinance.

2. Undertakings on the Part of the Commission. Subject to the conditions above stated and to the limits of the Commission's authority, the Commission agrees as follows:

(a) That it will begin the proceedings necessary on its part to cause the City Council of the City to authorize the issuance and sale of the Bonds, pursuant to the terms of the Ordinance as then in force.

(b) That it will cooperate with the Company in finding a purchaser or purchasers for the Bonds, and if satisfactory purchase arrangements can be made, the Commission will adopt, or recommend that the City adopt, such proceedings authorizing the execution of such documents as may be necessary or advisable for the authorization, issuance and sale of the Bonds and the

financing of the Project, all as shall be authorized by law and mutually satisfactory to the Commission, the City and the Company.

(c) That, if the City issues and sells the Bonds, the financing instruments will provide that the City will use the proceeds of the Bonds to finance the Project and the aggregate payments, basic rents or sale price (i.e., the amounts to be paid by the Company and used by the City to pay the principal of, interest and redemption premium, if any, on the Bonds) payable under the instruments whereby the Project shall be financed, shall be such sums as shall be sufficient to pay the principal of and interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable.

(d) That it will take or cause to be taken such others acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3. Undertakings on the Part of the Company. Subject to the conditions above stated, the Company agrees as follows:

(a) That it will use all reasonable efforts to find one or more purchasers for the Bonds.

(b) That contemporaneously with the issuance of the Bonds, the Company will enter into a revenue agreement, as defined in the Ordinance, with the City under the terms of which the Company will obligate itself to pay to the City sums sufficient in the aggregate to pay the principal of, redemption premium, if any, and interest on the Bonds as and when the same shall become due and payable, such instrument to be in form and substance satisfactory to the City, the Commission and the Company.

(c) That it will take such further action and adopt such further proceedings as may be required to implement its aforesaid undertakings or as it may deem appropriate in pursuance thereof.

4. General Provisions.

(a) All commitments of the Commission under paragraph 2 hereof and of the Company under paragraph 3 hereof, are subject to the conditions that on or before one (1) year from the date hereof (or such other date as shall be mutually satisfactory to the Commission and the Company), the City, the Commission and the Company shall have agreed to mutually acceptable terms for the Bonds and of the sale and delivery thereof, and mutually acceptable terms and conditions of the contracts and instruments referred to in paragraph 3 and the proceedings referred to in paragraphs 2 and 3 hereof.

(b) All costs and expenses in connection with the financing and acquisition, improvement, and equipping of the Project, including the fees and expenses of counsel to the City and the Commission, bond counsel and the agent or underwriter for the sale of the Bonds, shall be paid from the proceeds of the Bonds or by the Company. If the event set forth in (a) of this paragraph does not take place within the time set forth or any extension thereof and the Bonds are not sold within such time, the Company agrees that it will reimburse the City and the Commission for all reasonable and necessary direct out-of-pocket expenses which the City and the Commission may incur from the execution of this Agreement and the performance by the City of its obligations hereunder, and will pay upon demand the preliminary fees of bond counsel, and this Agreement shall thereupon terminate.

IN WITNESS WHEREOF, the parties hereto have entered into this Agreement by their officers thereunto duly authorized as of this 6th day of August, 1979.

WHEREAS, Jack Brickhouse, one of America's most renowned sportcasters for the past forty years, will broadcast his 5,000th Major League Baseball game for WGN Continental Broadcasting Company on August 5, 1979; and

WHEREAS, His record of 5,000 baseball broadcasts for the same broadcasting company is a mark unlikely to be equaled, especially since more than 4,500 of those games were television play-by-play. In fact, in 1948, WGN Television's first year, Jack was at the mike for 157 games of the Cubs and Sox; and

WHEREAS, Jack began his baseball broadcasting days with WGN Radio in 1940. His first televised baseball broadcast for WGN Television was on April 16, 1948, and he has been doing the television play-by-play ever since; this year marking his 32nd consecutive year. Since those early days, Jack has been at the microphone for games involving the Chicago Cubs, the Chicago White Sox, five All-Star games and four World Series; and

WHEREAS, Some of the milestones in Jack's career since then include: the longest streak on television by the same sportscaster (32 years); the first baseball game on worldwide satellite (Telestar satellite, 1962); the first announcer to do two games simultaneously via split screen (Cubs and White Sox, 1963); the first announcer to do both home teams (Cubs and White Sox, 1948-1967); the most games on television in one season (161 in 1967) by the same announcer; and

WHEREAS, Although Jack is known for his enthusiastic baseball broadcasts, he was also the radio voice of the Chicago Bears for twenty-four years (1953-1976). He was the ringside voice of two heavy-weight boxing championship fights; the play-by-play announcer for the Rose, Orange and Sugar Bowls; and the announcer for the first National Football League telecast (1956). In addition, Jack has covered the political scene by reporting on several Republican and Democratic Conventions, the Roosevelt Inauguration of 1945, and the Inaugural Ball in Washington in 1969. One of the highlights of his broadcasting career was the broadcast of a papal audience with Pope Paul VI which won local and international awards; and

WHEREAS, Besides his broadcasting duties, Jack has written for the *Chicago Today* and the *Chicago Tribune.* He narrated the album, "Great Moments in Cubs Baseball," which developed into a best seller in 1971; and

WHEREAS, Jack Brickhouse has received numerous awards. He has been honored by the *Chicago Sun Times* as "Broadcasting's Man of the Year." Jack has also received the Communications Award of the Lincoln Academy convocation in Springfield, Illinois and several times was named "Best Sports Announcer" by the American College of Radio Arts and Sciences. He is also the recipient of two bronze medallions from *Look* Magazine for his coverage of the 1954 and 1959 World Series. He has been honored as the "Outstanding Sportscaster of the Year in the State of Illinois" by the National Sportscasters and Sportswriters Award Committee five times, and other honors, such as the Baseball Commissioner's award for 25 years of meritorious service to major league baseball, and the *Sporting News* award for outstanding television coverage of the Cubs and White Sox games. WHEREAS, It's Jack Brickhouse at the ball park, day in and day out, shouting "Hey! Hey!" (his "trademark"), whenever the home team hits one out of the park, that has made him a household name, not only in Chicago, but with players, managers, umpires and fans throughout the country for almost 40 years; and

WHEREAS, His love for baseball and his "Gee Whiz" enthusiasm for each game comes through loud and clear in all of his broadcasts and he's as exciting today as when he was 18 and the nation's youngest sports announcer at WMBD in his home town of Peoria, Illinois; now, therefore,

Be It Resolved, That the Mayor and Members of the City Council of the City of Chicago, in meeting assembled this 10th day of August, A.D. 1979, do hereby express their congratulations to Jack Brickhouse on his 5,000th broadcast of Major League Baseball for the WGN Continental Broadcasting Company on August 5, 1979, and best wishes for his continued broadcasting; and

SECTION 6. *Construction of Project and Payment of Amounts under the Agreement.* It is the declared intention of the Issuer to authorize the disbursement of the proceeds of the sale of the Bonds in order to finance the construction, acquisition and improvement of the Project pursuant to the Agreement in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer. The Mayor is hereby authorized to execute and acknowledge said Agreement for and on behalf of the Issuer, and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer.

Said Agreement and the revenues and receipts derived by the Issuer pursuant thereto, including all moneys received under the terms and conditions thereof, are to be sufficient to pay the principal of and interest on the Bonds hereby authorized and are hereby pledged and ordered paid into the Bond Fund. The Agreement provides that the Company shall remit required payments thereunder directly to the Fiscal Agent for the account of the Issuer for deposit in said Bond Fund and such provision is hereby expressly approved.

SECTION 7. *Revenues: Bond Fund.* The Bonds and the obligation to pay interest thereon and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations payable by the Issuer solely from revenues and receipts derived from the Agreement as provided herein, (except to the extent they may be paid out of moneys attributable to Bond proceeds or any income from the temporary investment thereof).

There is hereby created by the Issuer and ordered established with the Fiscal Agent, as depositary, a special account to be designated "Industrial Revenue Bond Fund (Goodman Equipment Corporation Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal of and the interest on the Bonds.

There shall be deposited into the Bond Fund, as and when received (a) any amount remaining in the Construction Fund to the extent provided in Section 3.4 of the Agreement; (b) all payments and prepayments specified in Articles IV and VII of the Agreement; and (c) all other moneys received by the Fiscal Agent under and pursuant to any of the provisions of the Agreement. The Fiscal Agent is authorized and directed to apply amounts in the Bond Fund available therefor to the payment when due of the principal of and interest on the Bonds.

The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall cooperate fully with the Fiscal Agent to the end of fully protecting the rights and security of the holder(s) of the Bonds. Nothing herein shall be construed as requiring the Issuer to operate the Project or to use any funds or revenues from any source other than funds and revenues derived by the Issuer pursuant to the Agreement.

Any amounts remaining in the Bond Fund after payment in full of the principal of and interest on the Bonds (or provision for payment thereof as provided in this Ordinance) and the charges and expenses of the Fiscal Agent, shall be paid to the Company upon the expiration or sooner termination of the term of the Agreement as provided herein and in Section 9.5 of the Agreement.

SECTION 8. *Assignment.* As security for the due and punctual payment of the principal of and interest on the Bonds hereby authorized the Issuer hereby pledges and assigns to the Bank all revenues and receipts derived by the Issuer pursuant to the Agreement (except any payment made pursuant to Section 5.3 and 6.3 of the Agreement relating to indemnification and expenses of the Issuer) and all rights and remedies of the Issuer under the Agreement to enforce payment thereof, and as evidence of such pledge and assignment, the Mayor is hereby authorized to execute for and on behalf of the Issuer the Assignment and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer, and the Mayor and City Clerk are authorized and directed to cause the Assignment to be executed by the Bank, with the Assignment to be in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

As and when any amount invested and held as part of either such fund pursuant to this Section may be needed for disbursement, the Company may direct the Fiscal Agent to cause a sufficient amount of the investments held as part of such fund to be sold and reduced to cash to the credit of such fund regardless of the loss on such liquidation.

With respect to Section 103(c) of the Code, the Company has made certain certifications and representations to the Issuer pursuant to Section 3.6 of the Agreement, which certifications and representations by this reference are incorporated herein and made a part hereof and the governing body of the Issuer, acting in reliance on such certifications and representations adopts and ratifies such certifications and representations and hereby covenants with the Bank and any holder(s) of the Bonds that so long as any principal of the Bonds remains unpaid, the governing body of the Issuer will not take or authorize the taking of any action which will cause the Bonds to be classified as "arbitrage bonds" within the meaning of Section 103(c) of the Code and any lawful regulations promulgated or proposed thereunder, including Section 1.103-13 and Section 1.103-14 of the Income Tax Regulations (26 CFR Part 1) as the same presently exist, or may from time to time hereafter be amended, supplemented or revised.

The Bonds and the obligation to pay interest thereon are limited obligations of the Issuer and are payable solely from revenues and receipts derived by the Issuer pursuant to the Agreement and otherwise as provided herein and in the Agreement. The Bonds and the obligation to pay interest thereon are not and shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision of either thereof, or a charge against the general taxing powers of either thereof, within the meaning of any constitutional or statutory provision of the State of Illinois.

The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Ordinance, in the Bonds and in all proceedings of its governing body pertaining thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bonds authorized hereby, and to pledge and assign the revenues and receipts hereby pledged and assigned in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds has been duly and effectively taken and that each of the Bonds is and will be a valid and enforceable limited obligation of the Issuer according to the true intent and meaning thereof.

The Issuer covenants and agrees that all books and documents in its possession relating to the Project and the revenues and receipts derived therefrom pursuant to the Agreement shall at all reasonable times be open to inspection by the Bank and the holder(s) of the Bonds or such accountants or other agencies as the Bank or such holder(s) may from time to time designate.

The Issuer covenants and agrees that it shall through the Bank enforce all of its rights and all of the obligations of the Company under the Agreement. SECTION 11. *Election Under Section 103(b)(6)(D) of the Code.* The Issuer hereby elects that Section 103(b)(6)(D) of the Code shall apply to the Bonds, and the officers of the Issuer are hereby authorized and directed to file evidence of said election with any appropriate officer of the United States, including the Secretary of the Treasury or his delegate, and to take such other action as may be necessary to make effective the election made herein. The Issuer acknowledges that the exemption from Federal income taxation of the interest to be paid on the Bonds is dependent upon qualification of the Bonds under the "small issue exemption" set forth in Section 103(b)(6)(D) of the Code as amended. In order to assure that the interest on the Bonds shall at all times be free from Federal income taxation, the Issuer covenants with the holder(s) of the Bonds and the Company:

(1) that it will fulfill all conditions imposed on it as Issuer in Section 103(b)(6)(D) to qualify the Bonds as a "small issue" thereunder;

(2) that it will promptly comply with all requirements, including reporting and filing requirements, if any, established by regulations of the Internal Revenue Service pursuant to Section 103(b)(6)(D) and (E) of the Code, including the requirements of Section 1.103-10 (b)(2)(vi)(c) of the regulations relating to capital expenditures, to the extent any of the foregoing impose requirements on the Issuer.

SECTION 12. *Events of Default and Remedies.* If any of the following events occurs it is hereby defined as and declared to be and to constitute an "event of default":

Upon the occurrence of an event of default and so long as such event is continuing, the Bank, by notice in writing delivered to the Issuer and the Company, may declare all principal of the Bonds and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable, anything in the Bonds or in this Ordinance to the contrary notwithstanding. Upon any such declaration all payments under the Agreement from the Company shall immediately become due and payable as provided in Sections 4.2 and 6.2 of the Agreement.

While any principal of the Bonds or interest thereon remains unpaid, the Issuer shall not exercise any of the remedies on default specified in Section 6.2 of the Agreement without the prior written consent of the Fiscal Agent.

Upon the occurrence of an event of default, the Bank may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of and interest on the Bonds and to enforce and compel the performance of the duties and obligations of the Issuer as herein set forth.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bank or the holder(s) of the Bonds is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bank or the holder(s) of the Bonds or now or hereafter existing at law, in equity or by statute.

No delay or omission to exercise any right, power or remedy accruing upon any event of default shall impair any such right, power or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right, power or remedy may be exercised from time to time as often as may be deemed expedient.

All moneys received pursuant to any right given or action taken under the provisions of this Section or under the provisions of Article VI of the Agreement (after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Fiscal Agent or the holder(s) of the Bonds) and all moneys in the Construction Fund at the time of the occurrence of an event of default shall be deposited in the Bond Fund and all such moneys in the Bond Fund shall be applied to the payment of the principal of and interest then due and unpaid on the Bonds to the person entitled thereto.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Fiscal Agent shall determine, but in any event within 5 business days after deposit of such moneys in the Bond Fund. The Fiscal Agent shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

Whenever all principal of and interest on the Bonds have been paid under the provisions of this Section and all expenses of the Issuer and the Fiscal Agent have been paid, any balance remaining in the Bond Fund shall be paid to the Company.

With regard to any default concerning which notice is given to the Company under the provisions of this Section, the Issuer hereby grants the Company full authority for the account of the Issuer to perform or observe any covenant or obligation alleged in said notice not to have been performed or observed, in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do in order to remedy such default.
